

Wharf Sawn Face Hardwood

QLD Reds

Spotted Gum

Iron Bark

(Ship Lap profiles shown)

Forest Red Gum is a dense, durable and highly versatile species. Ideal for flooring, its attractive grain and colour palette is a favourite of architects, designers and owners alike.

Spotted Gum is a premium Australian hardwood famous for its luxury appearance and high degree of natural strength, durability and fire resistance.

The Iron Bark tree, born from Australia's harsh environment, has been revered in this land for thousands of years and always known for its natural beauty, strength and durability.
