

Sydney Peppermint (Eucalyptus Piperita)

Sydney Peppermint (*Eucalyptus piperita*) is a dependable Australian hardwood flooring choice, featuring light honey to straw tones with a fine, even grain and subtle natural variation.

Its bright, neutral palette suits contemporary, coastal and project homes alike.

Durable and dimensionally stable, it performs reliably in everyday residential environments, including high-traffic living areas.

Easy to specify and versatile across a wide range of interior finishes, it's a practical, cost-effective solution for modern builds.

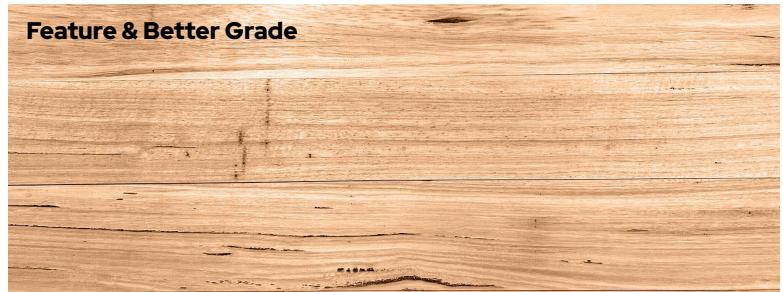

Available In: Premium, Feature and Better grade

Tone: Light brown/honey to straw tones, moderate density, and straight or interlocking grain

Colour: Heartwood ranges from pale to light brown, with sapwood being slightly lighter

Texture: Generally straight or interlocked grain with a medium, even texture

Hardness Class: (Medium)

Durability: Class 3

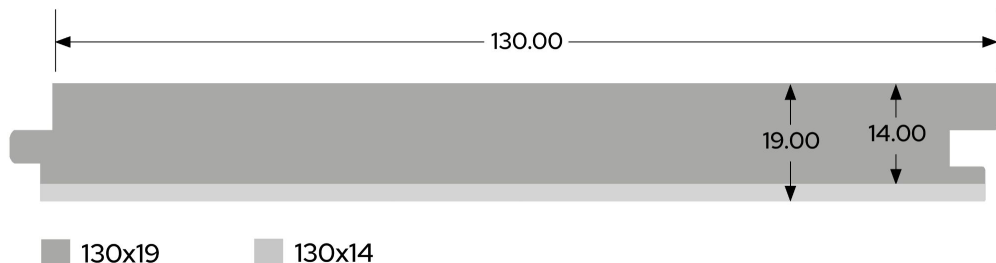

Janka Rating: ~7.1 kN (Seasoned/Dry)

Unseasoned Hardness: ~5.2 kN

Appearance Features: Gum veins are common in this species, which can add character but may cause issues during processing

Flooring: Suitable for residential and internal flooring
