

# QLD Blondes (Gympie Messmate)

Queensland Blondes bring together the best of Australian hardwoods. Gympie Messmate is one such hardwood. Its medium attractive grain and darker yellow-brown colour palette is a favourite of architects, designers and owners alike. Stagwood is produced to suit residential, commercial and government building applications.

**Grade:** Organic. Stagwood Organic celebrates the qualities by offering a complete balanced natural selection of the tree including very straight to wavy dense grains and features.

**Tone:** Yellowish-brown.

**Texture:** Medium, interlocking grain.

**Botanical names:** Eucalyptus Cloeziana.

**Durability:** Class 1 High (above ground) 40+ years

**Strength Group:** High (SD2 Seasoned) to Reasonably High (SD2 Seasoned).

**Hardness:** Hard (Janka 12).

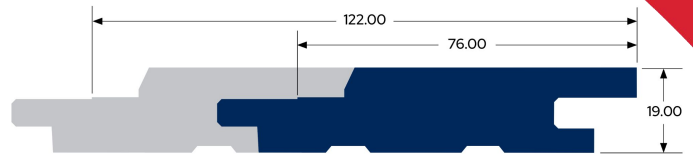

**Density:** 955 kg/m3..

**BAL Rating AS3959-2009:** BAL 12.5-19.

**Termites:** Resistant.
